To: Submitters, Project Leadership, SD DANR, and Participants  
From: Randall Community Water District  
Subject: RCWD: Regional Water Transmission Line Project  
Procurement Process for Design-Build Services, Short List Determination

On August 15, 2024, RCWD received five (5) Statement of Qualifications (SOQ) Submittals as part of the Design-Build procurement process. The Submitters were made up of the following Companies or Joint Ventures, in alphabetical order:

- ARCO/Murray, Civil Engineers & Constructors, RP Constructors, Midwest Engineering Co.
- B&B Contracting, SPN-Helms Engineers & Surveyors
- Carstensen Contracting, Advanced Engineering and Environmental Services (AE2S)
- Ellingson Companies, Rice Lake Construction Group, Short Elliot Hendrickson (SEH)
- Hausmann Construction, General Excavating, Short Elliot Hendrickson (SEH)

On August 16, 2024, the Evaluation Board received the SOQ's along with RFQ describing the submittal, evaluation, and selection processes. Evaluations were then individually considered and on August 22, 2024, the Board reconvened to make a short list determination based on the following criteria:

- Team Experience
- Capability to Perform
- Conceptual Supplement
- Other Factors

The Evaluation Board's determination of three (3) short list SOQ Submitters is the following:

- Carstensen Contracting, AE2S
- Ellingson Companies, Rice Lake Construction Group, SEH
- Hausmann Construction, General Excavating, SEH

On behalf of all RCWD, User Participants, and the State of South Dakota, thank you for your interest in the Regional Water Transmission Line Project's Design-Build Services! We are excited to continue the project forward into step-two of the procurement process.
